Qur'ani tarajim ka taqabuli jayeza	

But 2 of them are especially important.

- Al-Barelwiya ka tahqeeqi aur tanqeedi Jayeza
- Min 'aqayid ahl al-sunnah, Lahore/Mumbai, 1995

Both were in refutation of the infamous book, al-Barelwiya. There is no doubt that in these 2 books, Imam Qadri exposed the fallacies contained in al-Barelwiya and destroyed the lies that its author concocted.
